

## Message for current and future parents of students from the parents of Sophie Germain middle school students

**Parents**, do you want to participate in middle school life ? **3 ways** to do it :

→ Sit as an **elected parent** on the various middle school boards and commissions : Boards of Directors (CA), Health and Citizenship Education Committee (CESC), Educational Commissions (CE), Disciplinary Council (CD)...

- Are you a candidate ? Do not hesitate to contact us : [parents.college.sophiegermain@gmail.com](mailto:parents.college.sophiegermain@gmail.com)

→ Join the **Socio-Educational Home (FSE)** of the middle school. The FSE is an association jointly administered by students members of the middle school team and parents. It aims to unite all these actors around concrete actions aimed at supporting socio-educational projects (clubs and workshops, school trips, for example) and making life easier for students in middle school (purchase of school supplies,...) etc.

- Do you want to join the FSE(FSE) ? It's over here to let us know : [fse.sophiegermain@gmail.com](mailto:fse.sophiegermain@gmail.com)

→ Take part in the **class councils** which take place once per semester (January and end of May/ beginning of June). The class council is a time for discussion on the class group and on each student.

- Are you available to sit on class council ? Send us an email : [parents.college.sophiegermain@gmail.com](mailto:parents.college.sophiegermain@gmail.com)

Find all our informations in « Parents talk to parents » section on e-lyco :

<https://sgermain.loire-atlantique.e-lyco.fr/parents>

**An information meeting will take place in mid-September**

**OPEN TO ALL !**
